The Spring Relaunch Checklist

If your luxury home came off the market this year, the worst thing you can do is put it back on in January with the same plan. The best spring sales are decided in the fall. Here is the month-by-month plan we use, so you can see what "start now" actually means.

October The plan

- ☐ **Get a real number.** A valuation from closed luxury sales in the last 90 days, not from what neighbors are asking.
- ☐ **Walk the home together.** Room by room: what to stage, what to update, what to leave alone.
- ☐ **Read the first listing's story.** Days on market, price history, showing count, feedback. Buyers can see all of it. We plan around it.
- ☐ **Decide the launch window.** Late February or March, set around the market and your own move-out timeline.
- ☐ **Get the marketing plan in writing.** From us and from anyone else you interview.

November – December The work

- ☐ **Targeted updates only.** The short list with a clear return. Nothing else.
- ☐ **Pre-inspection.** Find the surprises now, not in escrow.
- ☐ **Repairs and paint.** Neutral, finished, done.
- ☐ **Staging plan locked.** Furniture sourced, empty rooms scheduled for virtual staging.
- ☐ **Book photography for the first clear week of January.** Twilight, drone, video, floor plans.
- ☐ **Enjoy the holidays.** Everyone else is at parties. You are ahead.

January Pre-market

- ☐ **Photography and video shot and edited.**
- ☐ **Marketing assets built:** listing copy, ad sets aimed at the metros buyers come from (Chicago, Seattle, Boston, New York, D.C.), print pieces, video cuts.
- ☐ **Pre-marketing begins:** our buyer network and the top luxury and relocation agents in the Bay Area see the home before the public.
- ☐ **Final number confirmed** against January closings.

February – March Launch

- ☐ **Launch day chosen,** not a quiet go-live.
- ☐ **Broker tour and private preview** in week one.

- ☐ **Decision points set:** week 1, week 3, week 6, week 10. What we review and what can change, agreed in advance.
 - ☐ **Weekly written update** from launch to close.
-

What to do this week

- ☐ Scan the code below for your current home value from closed sales.
- ☐ Pull your first listing's history so we can read it together.
- ☐ Pick a 45-minute window in October for the walkthrough.

Spring is five months away. The plan starts now.
